Annual Report

2020-2021

From Secretary's View

In keeping with MATHURAPUR NIVEDITA MAHILA SAMITY's record-setting tradition, many aspects of the society's result for its eleventh year of trading were the best since listing. Among them were the key measures of net success.

During the year, MATHURAPUR NIVEDITA MAHILA SAMITY was active in all four main areas of its portfolio operations – rent reviews, leasing and tenant retention, acquisitions and development projects. The outcomes in each area were highly pleasing and in this respect the result could be described as a “complete” performance.

High occupancy is critical to success of any health upliftment and MATHURAPUR NIVEDITA MAHILA SAMITY has excelled in this regard keeping the level at 98% or above throughout the year.

Annual Report 2015-2016 tries to capture some major highlights of MATHURAPUR NIVEDITA MAHILA SAMITY's work during 2015-2016. MATHURAPUR NIVEDITA MAHILA SAMITY continued to make efforts towards maintaining the momentum for devolution in several ways for the actual and real development in health. During the year, MATHURAPUR NIVEDITA MAHILA SAMITY convened and facilitated several health issues of community participation. MATHURAPUR NIVEDITA MAHILA SAMITY also undertook measures on a global scale to promote participatory health governance. Under the current framework MATHURAPUR NIVEDITA MAHILA SAMITY was able to further its linkages with health sectors, academia through a systematic program of linkage building and promote MATHURAPUR NIVEDITA MAHILA SAMITY Continuing Health and Education Programs. MATHURAPUR NIVEDITA MAHILA SAMITY has now begun to gain experience in managing medium-scale projects that combine service-making and capacity building training and responsibilities.

Secretary

Girls Welfare Home(Orphan):-

Mathurapur Nivedita Mahila Samity started “Kalyani Kundu Memorial girls welfare Home from 2007-2008 for orphans and destitutes children consisting of about 25 girls students with a view to bring the poor destitutes and orphans to be the main stream of the society by providing them food and nutrition, education, health and shelters in an homely atmosphere from 6 to 18 years. Subscription from the members of the society. The Society could maintain their food, shelter, education, clothes etc. Samity also is tried to sanction the home by the mass education extension (Social Welfare) Department of West Bengal Government. The samity would be tried to give them higher education, made their carrier as doctor, nurse, teacher etc. In this way the orphan girls will be establish themselves in the society. Samity will be tried to increase the number of girls student as one hundred to one hundred fifty. If they collect money from the government or any other society or donar.

Awareness Programme-

The MATHURAPUR NIVEDITA MAHILA SAMITY Awareness Program strives to teach all

individual about the reality of the society which we are leaving. Each and every awareness helps the community to realize their own potentiality and to help them understand what's within their reach and how they can overcome their difficulties with their limited resources and overall what is their social responsibility as whole.

In light to this MATHURAPUR NIVEDITA MAHILA SAMITY Anti Drug awareness programs aims to reach children and parents about the dangers of illegal drug use and prevent the abuse of legalized and prescription drugs. It is one of the finest volunteer drug awareness programs in the West Bengal, the MATHURAPUR NIVEDITA MAHILA SAMITY Anti Drug Awareness Programs relies on state, district and lodge volunteer to promote a drug free lifestyle. By taking pride in India's communities and youth, the MATHURAPUR NIVEDITA MAHILA SAMITY Anti Drug Awareness Program takes action against youth drug through education and inspiration.

Likewise, the Mother and Child Care awareness program aims to improve health seeking behaviour of the masses. And it was well taken by different sector and the awareness for maternal, newborn and child health program has really to create ripple among the disadvantage population who are coming either from underserved or unserved region.

People need to be informed about AIDS, so they can understand clearly how the virus is transmitted and what activities and interactions are safe. This in itself is undoubtedly not enough to promote widespread, effective behaviour change, but is an essential part of what is needed. Greater understanding and awareness should remove irrational fears and lead to supportive attitudes toward infected people. If people living with HIV/AIDS can expect to be accepted and supported, they need no longer keep their diagnosis a close secret. They also need to feel that they are not going to be blamed for having become infected in the first place.

MATHURAPUR NIVEDITA MAHILA SAMITY creative awareness-raising campaigns are an important component of a HIV/AIDS prevention programme. MATHURAPUR NIVEDITA MAHILA SAMITY awareness programmes provide information that is relevant, accessible in terms of language and literacy levels of employees and which is culturally sensitive.

MATHURAPUR NIVEDITA MAHILA SAMITY awareness-raising activities include exhibitions and film shows, AIDS Memorial Day. MATHURAPUR NIVEDITA MAHILA SAMITY awareness-raising activities are valuable in that they create awareness around HIV/AIDS and STDs in an informative, fun, non-threatening way.

Similarly, following programme initiatives were also taken in the said period;

1. Womens Day
2. Environment Pollution

Handicapped School & Home:-

Mathurapur Nibedita Mahila Samity started Naba Kumar Kayal Memorial Special school for the Handicapped(H.I) & Sankar Kundu Memorial Special school for the Handicapped(M.R)

from 2007 - 2008 for the blind and deaf and dum boys and girls consisting of about 83 students(H.I-33, M.R-50) with view to bring them normal life in the society. Subscription from the members of the society could maintained the food, shelter education and clothes etc. Samity is tried to sanction the school cum Home by the mass education extention (Social Wellfare) Dept. of West Bengal Government. The samity would be tried to give them higher education to make their careers properly. The samity would be tried to give them higher education, made their carrier as doctor, nurse, teacher etc. In this way the handicapped boys & girls will be establish themselves in the society. Samity will be tried to increase the number of student as one hundred to one hundred fifty. If they collect money from the government or any other society or donar.

Handicapped Camp:-

Go detech handicapped persons a camp inaugurated by Dr. H.K. Chand (New D.D. Admin) collaboration with District Hospital & Subdivisional Hospital, Diamond Harbour. A large number of participants take part certificate & Identity Card issued on that day to the candidate.

Training Programme -

Today's youth especially those generation who have passed 10+2 or to those mothers of our rural village who want to have some kind of additional income generation opportunity for the mothers and youth, who find themselves unemployed and unable to pursue higher studies due to monetary problem.

MATHURAPUR NIVEDITA MAHILA SAMITY tries to facilitate their requirement through vocational training for the mothers and youths to meet up their demand so as they can stand on there own and become self-sufficient.

The training programme includes both on the field and of the field. Apart form the vocational training programmes, sponsored training programmes arealso held with closed support from the local government institutions, schools, colleges, CBOs, etc.

Currently MATHURAPUR NIVEDITA MAHILA SAMITY is giving concentration on various field of training, such as jute bag making, jute rope making, jute carpet and mat making, radio and television repairing, computer educational programme, carpentry, honey production, tailoring, etc.

We in MATHURAPUR NIVEDITA MAHILA SAMITY believe that a person is not groomed until and unless he or she is been groomed with a job or additional income opportunity training for the today's world requirement.

- a) Agriculture Training
- b) Tailoring Training

Our Society far away from Kolkata, nearest to the jurisdiction of Sundarban Poverty &

Unemployment live together. Try to self-employment for female, distribute chick to 165 groups @ 45 pieces per groups. Distribute Food Grains to develop the chick @ 15Kgs per group. We always try develop the society & environment.

Educational Programme-

MATHURAPUR NIVEDITA MAHILA SAMITY aims to champion the rights of education through the development of education which will produce tools and resources for teachers and young people to explore social, economic, and environmental issues of sustainable development in their classrooms, communities, and around the state.

MATHURAPUR NIVEDITA MAHILA SAMITY Alternative Schooling is a non-conventional system to address the educational needs of the children the formal school is not able to reach.

The last quarter saw significant development in Alternative Schooling . Important decisions were taken during the last meeting of the Executive Committee, which paved the way for facilitating smooth implementations of the schemes for Alternative Schooling.

MATHURAPUR NIVEDITA MAHILA SAMITY also works to create an appropriate learning and teaching environment for the under privileged and drop-outs students. Specially trained teachers work as itinerant resource persons by making regular visits and providing useful guidance to the students, and their teachers, principals and staff in conducting educational and co-curricular activities.

Health Programme-

Blood donation Camp:-

Blood donation Camp organized with the help of Central Blood Bank, Maniktala. 85 Donar donated Blood. Doner card distributed to the poorer section for operation purpose.

Eye Camp:-

Eye testing Camp was held to identify the cataract & power of eye. Free spectacles distribute to the B.P.L. Card holder & at the same time financial poor persons.

Health Camp:-

The health programme was established as a home for curing the deprived and underprivileged. With encouragement from the local community, and support from well wishers, the programme as it exists today steadily developed to become a charitable dispensary.

Today the "clinic" has developed into a diverse community health programme with an emphasis on health promotion, enabling people to care for their own health with improved awareness through health education, and integrated health and development at the village level. We continue to provide care in our clinics for nearly three thousand persons monthly.

The current programme is a holistic blend of allopathic and homeopathic care/cure offered with loving kindness and compassion to India's most impoverished families and

communities. The programme encompasses the following services.

- A general allopathic clinic with homeopathic clinic
- an allopathic medical practice for the management of tuberculosis, diabetes, HIV/AIDS, heart disease and other chronic and complex problems
- a mobile health programme serving villages in remote areas where there are inadequate health services
- an integrated Reproductive and Child Health Programme targeting women and children, offering health promotion, disease prevention, monitoring of growth and development in children
- an integrated, village-based health and development programme which focuses on creating village health communities which consider ways to improve health awareness and health practices in their villages
- a training programme for village health workers and traditional birth attendants
- a computerized data-base tracking patient visits, diagnoses, treatments and progress

MATHURAPUR NIVEDITA MAHILA SAMITY is registered under the West Bengal Societies Registration Act, XXVI of 1961. MATHURAPUR NIVEDITA MAHILA SAMITY has received registration under the provision of Income Tax Act, 1961 for possible exemption under section 80G(5) (vi) of the Income Tax, 1961.
